

Link ^a Ride

Enquiries 01525 840511

Delivering a local service for local people for over 25 years

Link-A-Ride Community Transport offer a bespoke door-2-door service, for those who find it difficult to access public transport, through disability, illness, those who are elderly and frail, and those who may live in rural locations.

We have regular day trips which are a great way to get out and meet new friends. We can also offer a private hire service.

If you would like to know more about our services and how to join, please contact us on
