I have a request for an emergency temporary road closure at the above location to enable the Standalone 10K Road Race event. Details are listed in the schedule below and having assessed the application I am satisfied the request is justified.

The alternative route for this closure is as in the details below and will be signed accordingly. The restrictions are to be in operation only when the necessary signs are erected on site. The Legal Order will be made to cover a 5 day period. Access may be allowed from time to time according to local signing.
