Clerk's Report

Richard Fuller MP will be holding a 'Town Hall' style meeting for local constituents in Stotfold, on Thursday 14th July from 6pm to 7.30pm in the Memorial Hall.

138/22 COUNCIL MINUTES

RESOLVED that the minutes of the council meeting held on 1st June 2022 and the extra council meeting held on 15th June 2022, be taken as read and confirmed and signed as a correct record.

139/22 COUNCIL VEHICLE POLICY

Members considered the draft Council Vehicle Policy, and noted the vehicle check sheet, motor incident form and risk assessment for driving on sites in a council vehicle.

RESOLVED that Council Vehicle Policy is adopted, with an addition that the primary user of the vehicle is to park the council vehicle at the Greenacre Centre when not in use.

140/22 ELECTRIC VEHICLE (EV) CHARGING POINTS – BROOK STREET CAR PARK AND MEMORIAL HALL

Members considered a report from Central Bedfordshire Council's Senior Sustainable Transport Officer regarding proposed Electric Vehicle (EV) Charging Points in two town council car parks – Brook Street car park and Memorial Hall car park, and considered a request to provide written approval for the use of the land in question for the level of provision being proposed in the report.

An assessment had been carried out as to most suitable locations for EV charge points against a list of criteria, which includes where the most amount of people could be accommodated within a 5 to 10 minute walk, where they do not have off-street parking which could support charge points. The proposal is that 4 of the 8 parking bays in each car park would be for EV only, and the remaining 4 could be used as general parking if not used by an EV.

Members acknowledged that charging points are required for EVs, but some felt that by providing 8 spaces as requested we would be 'losing' spaces in car parks which have limited spaces anyway.

Questions were raised about whether we had to have both car parks or if we could choose one or the other, and whether we would be benefiting financially from it. The Clerk was unable to answer these points.

RESOLVED that we reject the proposal for 8 EV charge point spaces in the Memorial Hall and Brook Street car park, and ask that they reinvestigate Arlesey Road car park as a potential location for EV charge points.

141/22 RIVERSIDE PLAYING FIELD YOUTH SHELTER – GRAFFITI PROJECT

Members considered a proposal from Nicola King, Grand Union Housing's Youth & Community Coordinator for a graffiti project on the youth shelter at Riverside Playing Field, as part of Stotfold's Community Action Day on 12th August 2022.

RESOLVED that we support the graffiti art project proposed for the Riverside Playing Field youth shelter.

142/22 STOTFOLD COMMUNITY ACTION DAY – 12TH AUGUST 2022

Members noted that Stotfold Community Action Day will take place on 12th August 2022, organised by Central Bedfordshire Council's Safer Communities Team. Having previously considered and approved using Brook Street car park to host stalls of agencies and partners, a revised format is being programmed. They will now 'flood the area' with uniformed officers from Central Bedfordshire Council, the Town Council and partner agencies, and will arrange for street cleansing, litter picks and other maintenance issues to be dealt with.

RESOLVED that the Town Council will have a stall at the Co-op - Councillor's Surgery, as part of the Community Action Day.

It was noted that Elaine Mountfort, Safer Communities Officer will be giving a talk to the Stotfold Good Neighbour Group on cyber-crime at their new social hub.

The school has been selected as one of 7 schools across the country as part of the Government's Decarbonisation pilot. They will be working with a team from the Department of Education to make St

As Town Council representative for BATPC, Councillor Talbot gave the following report:

- I attended the BATPC meeting on 9th June at Biggleswade Town Council offices.
- Councillor Smith also attended as an observer, as he is the third BATPC member representing the Town Council, in order to see for himself the workings of the BATPC.
- Two main points from the meeting were that the lease on Baystrait House has expired but the leaseholder is allowing BATPC to still use the building. A new venue has been selected, using part of Shefford Town Council offices. All that needs to be actioned is the agreement of the lease and the removal of Robin Thomas (BATPC officer) as the named individual responsible.
- Regarding the forthcoming BATPC AGM, Stotfold Town Council had invited BATPC members to come to Stotfold. Thanks were passed but the main comment was that there was not enough parking for visitors. That said, the venue was agreed to be held at Henlow Pavilion, with guest speakers to be invited from The Environment Agency and National Association of Local Councils (NALC).
